MOKSH SHAH

FULL STACK DEVELOPER

moksh.shah.mps@gmail.com | +91 94273 90651 | Nanpura, Surat, Gujarat, 395001

Github | LinkedIn

Profile Summary

Web Developer proficient in the MERN stack, with strong skills in building responsive web applications using React, Node.js, and MongoDB. Experienced in developing real-world projects, integrating AI tools, and delivering clean, scalable solutions. Passionate about continuous learning and contributing to impactful software projects.

Professional Skill

- HTML & CSS
- C and C++
- Firebase
- JavaScript & React
- Tailwind & Bootstrap
- Redux
- Node.js & Express.js
- MongoDB (NoSQL)

Relevant Skill

- Tools (VS Code)
- Adaptability
- Communication
- AI integration
- Problem Solving
- Team Collaboration
- Time Management
- Version control with Git

Education

Bachelor of Science in Information Technology   *2024 - 2027 (Expected)*

Bsc. IT prepares students for careers in software development and IT services.
Vidhyadeep University, Olpad, Surat.

Full Stack Developer   *2024 - Ongoing*

Full Stack Development training course at Red & White Institute
Red & White Institute, Adajan, Surat.

Web Development Projects

Full Stack Projects

- Developed production-ready full-stack applications using React, Node.js, Express, and MongoDB with REST APIs. Implemented authentication, CRUD operations, and real-world workflows focused on scalability and performance.

Front End Projects

- Designed responsive, modern user interfaces using HTML, CSS, JavaScript, React, and Tailwind CSS. Built pixel-perfect layouts with strong focus on usability, responsiveness, and clean UI architecture.

AI Integrated Web Dev Projects

- Integrated AI models into web applications to enable chatbots and AI-powered features, focusing on practical AI use cases, API integration, and prompt-based interactions.

Intrest

- Mobile App Development
- Learning New Technologies
- AI Based Projects

Certificates

Bootstrap Project – PhonePe UI Clone

- Unstop — Certificate of Completion (Hands-on Bootstrap Project)

TechWar 2024 (IT & Design Hackathon)

- Red & White Multimedia Education — Certificate of Participation
